## About Ohio's Maple Products

900 families gather to make Ohio Maple Syrup.  
We are up to 7th generation producers.  
We come from all walks of life.  
Making maple is sustainable farming in action.  
Many of us supplement farm income with maple.  
We make about 100,000 gallons each year.  
70% of our maple syrup is sold "Farm Gate."  
We add \$5-6 million to Ohio's economy yearly.  
Ohio averages 4th to 5th among 12 US states.

## Storing Pure Maple Syrup

Unopened store in cool location or freezer.  
Unopened syrup keeps well for years.  
Refrigerate open syrup containers.  
Syrup can be rewarmed to serve.  
Candy should be tightly sealed.  
Cream should be refrigerated.  
To Divide, heat to 180° F, pour in sterilized jars,  
seal tightly and tip to sterilize lid.  
If mold forms, skim, bring to boil and bottle.
